Re: SPS 327

Dear DSPS Representative:

SPS 327 establishes standards for the construction and inspection of camping units set in a fixed location in a campground licensed by the Department of Health Services that contain a sleeping place and are used for seasonal overnight camping.

SPS 327.06(1)(b) provides an exception to this requirement for municipalities that notify the department, in writing, within 90 days of the effective date of this code that they are choosing to "opt out" from enforcing SPS 327.

The Town of Geneva is hereby providing notice, in writing, that we are choosing to opt out from enforcing SPS 327. The Geneva Town Board unanimously (4-0) passed a motion to opt out of SPS 327 at the Town Board meeting held on April 10, 2017.

Please contact me at the number above should you have any questions.

Sincerely,

Debra L. Kirch, CMC/WCMC
Clerk/Treasurer
Town of Geneva
